Fabrications, Lies and Deceptions

by Dr. Rashid

A Liar Needs a Good Memory

Montaigne said that to be a successful liar the number one qualification is a superb memory. A successful liar needs not only to keep the facts straight, but also to keep straight all his various and contradictory versions of the facts. It's a big job.

"No man has a good enough memory to make a successful liar." -
-- Abraham Lincoln

Dear Reader

Mirza Ghulam Ahmad Qadiani, the founder of Ahmadiyya Movement, claimed to be a Prophet of Allah, Promised Messiah and Imam Mahdi, all in one and many more. He claimed that he is the recipient of divine inspiration (wahi) and that God has taught him everything, without the intervention of any human being.

"And as I believe in the verses of Holy Quran, likewise without the slightest difference i believe in that revelation of God that has come to me And i can stand in Khana Ka'aba and swear that that pious revelation which comes to me, is the word of the same God who had sent His revelations on Moses and Jesus and Hazrat Muhammad SallAllaho alaihe wassalm." (Aik Ghaltee kaa Izala p.6, Roohani Khazain vol.18 p. 210)

"I swear upon God I believe in these inspirations in similar manner as on Holy Quran and other Books from God, and just as I consider Holy Quran definitely and absolutely word of God, likewise i believe that that revelation that descends on me is the word of God." (Haqeeqatul Wahi p.211, Roohani Khazain vol.22 p.220)

Thus we are right in assuming that whatever Mirza Ghulam had said or written in his books had been transpired from God therefore there is no question of any mistakes or lies or fabrications. Mirza said:

“Without doubt God never leaves me with a mistake, even for the duration of blink of the eye; and He protects me from every mistake and protects me from the ways of satans.” (Nur ul Haq Last page, Roohani Khazain vol. 8 p 372)

“'Kullama qulto qulto min amrahoo, wa maa fa'alto un amree, wa maa aftaraito 'alaa Rabbi al'Alaa' - Whatever I have said, I have said it with His (God) order and I have not done anything of my own desire and I have not fabricated anything on my Lord.” (Mawahibur Rehman p 3, Roohani Khazain vol.19 p.221)

“ ‘wa maa unteqo unil hawa in howa illa wahun yooha’ - he does not say anything of his own volition, rather whatever you hear it is the revelation of God.” (Arba'een No. 3, Roohani Khazain vol.17, p. 426-427)

These statements of Mirza Ghulam Ahmad Qadiani are very clear. Whatever he did or said, whatever he wrote, all his 83 odd books, 10 volumes of Mafoozaat as well as collection of revelations called Tadhkirah, and 3 volumes of Collections of Advertisements are directly transpired from God, according to him. I am sure that Ahmadis/Qadianis/Lahoris will agree with me on this point.

Now if there is any mistake in these books or any lies, then who is responsible??? Can we say that it is from God (Ma'azAllah)? Unless of course his 'God' lied to him to ridicule him in the eyes of his opponents. Since Allah cannot make a mistake or make a false statement, there can be another explanation that is equally possible, and most probable, that the source of all these inspirations and revelations was SATAN, brought to Mirza Ghulam by 'Eil', 'Tichee Tichee', 'Khairaatee'. I leave that decision for the readers.

In the following series I would be showing some stark examples of fabrications, misrepresentations of facts and frank lies. But before I proceed to do, please read what Mirza Ghulam has to say about someone who fabricates a lie:

"Lying is not less than apostasy." (Arba'een No.3 p.24 footnote, Roohani Khazain vol.17 p. 56, 407)

"When someone is proven a liar in one thing, then he is no longer reliable in other matters." (Chashma-e-Ma'arif p.222, Roohani Khazain vol. 23 p.231)

Mirza Ghulam has mentioned in his books that there are two kinds of inspirations:

1. Inspiration from God (Ilham Rehmani)
2. Inspiration from Satan (Ilham Shaitaani)

Inspiration from God is always correct. Satanic inspiration is mostly false but may be correct at times when he wants to mislead the person for a greater gain. Mirza's revelations/inspirations should also be judged along the same line.

Fabrication Series No. 1

by

Dr. Rashid

I will start this series from few examples from the writings of Mirza Ghulam which concern historical facts and therefore verifiable by independent sources. No interpretation required, no explanation is necessary, in other words simple straight forward writings.

"Historians know that in His (Holy Prophet SAAW) house 11 boys were born and all of them died...." (Chashma-e-Ma'arif p.286, Roohani Khazain vol. 23 p.299)

"See in our Prophet of God's (SAAW) house 12 girls were born, He never said why boy was not born." (Malfoozaat vol.6 p.57)

"Holy Prophet SAAW did not even get a chance to learn mother tongue from his parents, because by the age of six months both were dead." (Ayam-us-Sulh p. 150, Roohani Khazain vol. 14 p. 396 footnote)

Dear Reader

Open any book of history or biography of Holy Prophet Muhammad SAAW. He had four boys and four girls. None of them says that Holy Prophet SAAW had 12 girls or 11 boys. Holy Prophet SAAW's father died before he was born and his mother passed away when he was 6 years old.

What was the source of Mirza Ghulam's information? Now read this:

"Whatever I have said, I have said it with His (God) order and I have not done anything of my own desire and I have not fabricated anything on my Lord." (Mawahibur Rehman p 3, Roohani Khazain vol.19 p.221)

So who is this 'god' giving such false information, ridiculing his own 'prophet'? Is it possible that these were inspirations from Satan? Or was it that Mirza was confused? But then God does not leave Mirza on a mistake even for a blink of an eye, as he boasted.

“Without doubt God never leaves me with a mistake, even for the duration of blink of the eye; and He protects me from every mistake and protects me from the ways of satans.” (Nur ul Haq Last page, Roohani Khazain vol. 8 p 372)

Whatever is the source of this revelation and whoever is behind this revelation, one thing is for certain. This revelation is not from Allah this is definitely from Satan. What guarantee is there that others are not from the same source.

I invite Ahmadis to ponder on this.

Wassalam

Fabrication Series No. 2

Lies about Holy Quran and Hadith

by Dr. Rashid

Mirza Ghulam Ahmad Qadiani (MGAQ) claims:

"I swear upon God I believe in these inspirations in similar manner as on Holy Quran and other Books from God, and just as I consider Holy Quran definitely and absolutely word of God, likewise i believe that that revelation that descends on me is the word of God." (*Haqeeqatul Wahi p.211, Roohani Khazain vol.22 p.220*)

“ ‘wa maa untego unil hawa in howa illa wahun yooha’ - he does not say anything of his own volition, rather whatever you hear it is the revelation of God.” (*Arba'een No. 3, Roohani Khazain vol.17, p. 426-427*)

“Without doubt God never leaves me with a mistake, even for the duration of blink of the eye; and He protects me from every mistake and protects me from the ways of satans.” (*Nur ul Haq Last page, Roohani Khazain vol. 8 p 372*)

“‘Kullama qulto qulto min amrahoo, wa maa fa'alto un amree, wa maa aftaraito 'alaa Rabbi al'Alaa' - Whatever I have said, I have said it with His (God) order and I have not done anything of my own desire and I have not fabricated anything on my Lord.” (*Mawahibur Rehman p 3, Roohani Khazain vol.19 p.221*)

These statements of Mirza Ghulam Ahmad Qadiani are very clear. Whatever he did or said, whatever he wrote, all his 83 odd books, 10 volumes of Mafoozaat as well as collection of revelations called Tadhkirah, and 3 volumes of Collections of Advertisements are directly transpired from God, according to him. I am sure that Ahmadiis/Qadianis/Lahoris will agree with me on this point.

This is the second article in this series of fabrications and lies of MGAQ. Only few examples are quoted here.

"پر قرآن شریف اور انجیل سے ثابت ہے کہ یہودیوں نے حضرت عیسیٰ علیہ السلام کو رد کر دیا تھا اور اصلاح مخلوق میں تمام نبیوں سے ان کا گرا ہوا نمبر تھا" - (براہین احمدیہ، روحانی خزائن جلد ۲۱ ص ۴۸)

"... but it is proven from Quran and Bible that Jews had rejected Hazrat Eisa AS and in reforming the people his grade was lowest among all the Prophets." (*Braheen Ahmadiyya part 5, Roohani Khazain vol.21 p.48*)

Comments: Kindly show us where in Holy Quran it says that Hazrat Eisa Ibne Maryam AS (ma'azAllah) was of lowest grade amongst the Prophets. It is lie on Allah.

"پس قرآن شریف میں جس شخص کا نام خاتم الخلفاء رکھا گیا ہے اسی کا نام احادیث میں مسیح موعود رکھا گیا ہے۔" (ملفوظات جلد ۵۱ ص ۵۶۲)

".... thus the person who has been named in Holy Quran as KHATAM-ul-KHULAFAs, same person has been named in Hadith as MASEEH MOWOOD...." (Malfoozaat vol.10 p.265)

Comments: Again a blatant lie of Mirza Ghulam. No such statement in Holy Quran

"آنحضرت صلی اللہ علیہ وسلم سے پوچھا گیا کہ قیامت کب آئے گی تو آپ نے فرمایا کہ آج کی تاریخ سے سو ۱۰۰ برس تک تمام بنی آدم پر قیامت آجائے گی۔۔۔" (ازالہ اوہام، روحانی خزائن جلد ۳ ص ۷۲۲)

".... Holy Prophet SAAW was asked that when will Qiyamah come, he replied that 100 years from today Qiyamah will come on every human being..." (Izala-e-Auham, Roohani Khazain vol.3 p.227)

Comments: There is no such Hadith of Holy Prophet SAAW. A shameless lie on Holy Prophet SAAW.

"وہ ابن مریم جس کا انجیل اور فرقان میں آدم بھی نام رکھا گیا ہے....."

"بہت سی حدیثوں سے ثابت ہو گیا ہے کہ بنی آدم کی عمر سات ہزار برس ہے اور آخری آدم پہلے آدم کی طرز ظہور پر الف ششم کے آخر میں جو روز ششم کے حکم میں ہے پیدا ہونے والا ہے سو وہ یہی ہے جو پیدا ہو گیا۔" (ازالہ اوہام، روحانی خزائن جلد ۳ ص ۵۷۴)

"Several Hadith have proved that the age of human race is 7000 years and the last Adam, like the first Adam, was due to be born at the end of 6000 years, which is like the sixth day, thus it is me who has been born..." (Izala-e-Auham, Roohani Khazain vol.3 p.475)

Comments: Blatant lie in the name of Quran and Hadith.

"خدا نے آدم کو چھٹے دن بروز جمعہ بوقت عصر پیدا کیا۔ توریت اور قرآن اور احادیث سے یہی ثابت ہے....." (براہین احمدیہ حصہ پنجم، روحانی خزائن جلد ۱۲ ص ۶۲۲ حاشیہ)

"God created Adam on the sixth day on Friday at afternoon prayer time. Torah, Quran and Hadith has proven this..." (Braheen-e-Ahmadiyya part 5, Roohani Khazain vol.21 p.260)

Comments: Once again brazen lie in the name of Quran and Hadith.

"میں وہ شخص ہوں جس کے زمانے میں تمام نبیوں کی خبر اور قرآن شریف کی خبر کے موافق اس ملک میں خارق عادت طور

پر طاعون پھیل گئی۔" (تذکرۃ الشہادتین، روحانی خزائن جلد ۲ ص ۶۳)

"I am that person in whose time, according to the prophecy of all Prophets and prophecy of Holy Quran, Plague spread in this country paranormally." (Tazkirahtu Shahdatain, Roohani Khazain vol.20 p.36)

Comments: Atrocious lies!!!! Does he have no shame at all?

"اسی وجہ سے صحیح بخاری اور صحیح مسلم اور انجیل اور دانی ایل اور دوسرے نبیوں کی کتابوں میں بھی جہاں میرا ذکر کیا گیا ہے وہاں میری نسبت نبی کا لفظ بولا گیا ہے اور بعض نبیوں کی کتابوں میں میری نسبت بطور استعارہ فرشتے کا لفظ آگیا ہے اور دانی ایل نبی نے اپنی کتاب میں میرا نام میکائیل رکھا ہے....." (اربعین نمبر ۳، روحانی خزائن جلد ۱ ص ۱۳۲ حاشیہ)

".... in Sahih Bukhari and Sahih Muslim and Bible and books of Daniel and other Prophets, wherever I have been mentioned, word 'Prophet' has been used for me and in the books of certain other Prophets word 'Angel' has appeared metaphorically, and in his book Prophet Daniel has named me Mekail....." (Arba'een No 3, Roohani Khazain vol. 17 p.413 footnote)

Comments: Mirza's imagination is running haywire. This is too much. Is he really of sound mind?

I challenge all Qadianis/Ahmadis to show these references in the Holy Quran or Hadith. These are blatant lies of MGAQ.

He has judged himself very correctly when he said:

"خدا کی لعنت ان لوگوں پر جو جھوٹ بولتے ہیں۔ جب انسان حیا کو چھوڑ دیتا ہے تو جو چاہے کہے۔ اس کو کون روکتا ہے۔" (انجیز احمدی، روحانی خزائن جلد ۹ ص ۹۰۱)

"Curse of God be on those people who lie. When a person leaves aside modesty, then he can prattle on whatever he wants, who can stop him." (Aijaz-e-Ahmadi, Roohani Khazain vol.19 p.109)

Wa maa alainaa il-al Balaagh - Our task is nothing more than to convey (the truth)
